🪪 OBJECTIVE

Motivated and quick learner with strong leadership, technical, and organizational skills, eager to contribute to team success and drive projects forward.

🎓 EDUCATION

PSNA College Of Engineering And Technology,   2022 – 2026
B.Tech - Artificial Intelligence and Data science
CGPA - 8.24

St.Joseph's Girl's Higher Secondary School, Senior Secondary (XII)   2021 – 2022
Percentage - 86.17%

St.Joseph's Girl's Higher Secondary School, Secondary (X)   2019 – 2020
Percentage - 80.6%

🌐 LANGUAGES

- Tamil

- English

🎨 SKILLS

Programming Languages
Python, Java

Web Technologies
HTML & CSS, React

Tools & Technologies
Machine Learning, Power BI, Linux

📁 PROJECTS

Ground water level predictor   2024 Aug – 2024 Sep
Developed a tool using machine learning techniques to predict groundwater levels, integrating multiple environmental datasets and displaying results on a user-friendly webpage.

CERTIFICATES

Generative AI, GUVI Geek Networks   2024 Oct – 2024 Sep
Completed an extensive course on Generative AI, covering a wide range of AI
concepts and practical applications.

Python Programming, Simplilearn   2024 Mar – 2024 Apr
Successfully completed the Python for Beginners course, demonstrating strong
foundational skills in Python programming.

Java - Mastering the Fundamentals, Scaler   2024 Feb – 2024 Mar
Completed a comprehensive Java course with a strong emphasis on practical
challenges to enhance programming skills.

TRAININGS

Gold Contest with iAspire   2024 Dec – 2025 Jan
Celebrating my journey to the Gold Level in the Go for Gold contest with iAspire,
fueled by learning, growth, and inspiration.

Industrial Internet of Robotic Things
Completed hands-on training in the Industrial Internet of Robotic Things,
collaborating with a team that secured 2nd place in a competitive project.

Sixth Sense Robotics
Awarded for excellence in the Robotics Championship, November 2023, PSNA
College of Engineering and Technology.

INTERESTS

- Reading & Learning
- Travel
- App development
- Dancing
- Content creation
- Web development

EXPERIENCE

Internship
Developed and executed a comprehensive Java programming project during a virtual internship with CodSoft,
creating a innovative software solutions that improved application performance.
